FOREST DEPARTMENT

NOTIFICATION

Simla-4, the 26th September, 1962

No. Ft. 29-256/48-II.—In supersession of all previous orders and in exercise of the powers conferred upon him by sections 41, 42, 45 and 51 of the Indian Forest Act XVI of 1927, as applied to Himachal Pradesh, the Lieutenant Governor, Himachal Pradesh, is pleased to make the following Rules to regulate the transit of timber on the Chakki, Dehr and Brahal rivers and their tributaries in the Chamba district, Himachal Pradesh. Nothing in these Rules, however, shall be held to affect the operation of the general River Rules issued in notification No. Ft. 29-256/48, dated the 12th July, 1949 or to exempt any person from any penalty which he may have incurred in disregard of the said Rules.

1. *Control of Chakki, Dehr and Brahal rivers.*—For purposes of timber transit operations and collection and disposal of waif wood, the control of Chakki, Dehr and Brahal rivers, as well as their banks within the limits of Chamba district is vested in the Divisional Forest Officer, Chamba Division, Himachal Pradesh.

2. *Registration, identity marks.*—All persons wishing to float or otherwise convey timber on the above rivers shall register, at the Forest Office of the Division to which the control of the rivers pertains, the mark or marks which indicate their proprietary right in such

timber. These marks shall be a hammer mark as property mark and a Khudan mark as identity mark.

3. *Registration fee.*—The fees for registration of both the property and the identity marks shall be Rs. 5 (Five rupees) per mark and if the number of marks exceed three the said fee should Rs. 10 (Ten rupees) for each mark valid for 3 years following in 1st of January next after the date of registration. The Divisional Forest Officer may order the registration of as many marks as he considers necessary for the efficient control of floating operations.

4. No person shall be allowed to register a property or Khudan mark already registered in favour of another person or Government or so closely resembling such a mark as to be easily producible by altering the same.

5. *Stamping of property mark.*—All sawn or round timber to be floated must before launching into the Chakki, Dehr and Brahal rivers, be marked on one of its ends with a deeply cut registered Khudan mark and the registered property hammer mark must be stamped on the broad side of all timber at a distance of not more than 6 inches from one of its ends to facilitate the handling and sorting of timber at the time of its collection.

6. *Launching timber.*—No person shall launch, set afloat, raft or otherwise convey his timber in the above rivers without a launching permit, application for which should be submitted to the Divisional Forest Officer, Chamba Forest Division, at least one month before the

timber is to be launched in the Chakki, Dehr and Brahal rivers. The application which should be for the launching and floating down the river within Himachal Pradesh Territory should contain the following information:—

- (1) Name and address of owner;
- (2) His father's name;
- (3) Description of timber, including the number and dimensions of timber;
- (4) The property hammer mark stamped on the timber;
- (5) The *khudan* mark cut at the ends of timber; and
- (6) The date on which the timber is likely to be launched.

7. *Launching permit*.—On receipt of the above mentioned application the Divisional Forest Officer may issue a permit in writing for the conveyance of the timber from the launching depot in accordance with the rules and for its collection at a place specified in the permit. The permit will recite the particulars above detailed and specify the places at which the timber may be stopped when required by the Divisional Forest Officer for regulation of traffic, on its passage down the Chakki, Dehr and Brahal rivers within Himachal Pradesh Territory.

8. *Launching fee*.—The launching and floating fees payable on all timber for which permits are issued under rule 7 will be at such rate per hundred pieces as the Divisional Forest Officer may fix. The rate will be published by the Divisional Forest Officer concerned on or before the 1st of July each year and shall remain in force for 12 months from that date and shall be recoverable before the issue of the permit.

9. *Labour*.—Every person launching his timber in the Chakki, Dehr and Brahal rivers or his contractors, shall keep 3 men per thousand scantlings of all species on his *ghals* in the rivers or their tributaries.

But the number may be increased by the Divisional Forest Officer if more than one contractor be launching timber in any of the tributaries.

10. Any *ghal* with which the staff, as laid down in Rule 9 above, is not maintained, must give way to a *ghal* properly staffed following it if the latter so desires, i.e. the *ghal* not upto strength may be stopped to allow the *ghal* behind to pass.

11. *Chawkidars*.—Every person launching his timber in the Chakki, Dehr and Brahal rivers or his contractor, shall keep the following number of chawkidars with each *ghal* to prevent loss from theft:—

Fir, Chir and Kail *ghals*: Three chawkidars per 5,000 scantlings.

Deodar *ghals*: One chawkidar per 1,000 scantlings.

Deodar, Kail and Fir *ghals* two chawkidars per 3,000 scantlings.

12. *Agents*.—Each permit-holder shall employ an agent to accompany his *ghal* under intimation to the Divisional Forest Officer. The agent shall produce launching permit, muster-rolls of labour and chawkidars employed on demand by any Forest Officer failing which his *ghal* will be liable to be detained.

13. *Priority of passage at the junction of streams*.—When two *ghals* approach the junction of two streams, the *ghal* whose head reaches the junction first shall have priority of passage; provided that (a) such *ghal* has not been deliberately extended to reach the junction first; and (b) it is accompanied by sufficient labour to clear the junction within 8 days.

14. *Control of mixed ghals*.—When two or more *ghals* get accidentally mixed, each permit-holder shall maintain the strength of labour sanctioned in Rule 9. Failure to do this will render the defaulter to pay for short supply of labour to other permit-holders who will be at liberty to make up the deficiency in the sanctioned strength by employing more men. Where both banks are not equally easy to work from *ghal*, agents will arrange to change sides at intervals of not more than 20 days.

15. *Stranded timber*.—Stranded timber of a *ghal* will be brought down by the *ghal* following. These will be paid for at rates fixed by the Divisional Forest Officer. Where timber of *ghal* is carried forward by the current into a *ghal* going ahead nothing will be payable.

16. *Rights of permit-holders to open water-mills or irrigation bunds and responsibilities as to re-building them*.—Permit-holders floating timber in the Chakki, Dehr and Brahal rivers or their tributaries are empowered to open any weir or bund built for the purpose of a water-mill or irrigation channel, subject to the following regulations:—

- (a) that no such bund or weir shall remain open for more than 12 hours in any one day;
- (b) that before the expiry of the 12 hours mentioned in (a) above the weir or bund, shall have been repaired by the permit-holders men so that a sufficient supply of water passes into the channel concerned;
- (c) that when all timber has passed by weir or bund the permit-holder shall put it in complete repairs at his own expense.

17. The names of the owners of water-mills for the running of which there is normally sufficient water throughout the year shall be registered in the office of the Divisional Forest Officer.

18. A list of all irrigation channels shall be maintained by Divisional Forest Officer together with names of villages irrigated by each.

19. No weir or bund for water-mill or irrigation purposes which did not exist prior to 1st September, 1948 will be registered unless it is proved to the satisfaction of the Divisional Forest Officer that such weir or bund is a serious necessity to the locality.

20. *Compensation for opening bunds and channels*.—Except in the event of a breach by the permit-holder of the terms of Rule 9, no compensation shall be payable for the opening of the bunds.

21. *Unmarked timber to be the property of Government*.—All unmarked wood and timber in the Chakki, Dehr and Brahal rivers and their tributaries in Himachal Pradesh Territory including an area within a direct distance of five miles from either bank of the main stream of the said rivers shall be deemed to be the property of Himachal Pradesh Government until and unless any person establishes his right and title thereto.

Note.—Unmarked, unsawn timber less than 4 feet in length and 2 feet in girth may be utilized for burning the dead but for other purposes no person may remove any timber unless it is unmarked, unsawn and can be carried in a basket or *kilta*.

22. *Collection of wood and grass*.—Persons employed on floating timber shall be entitled to take from waste land on the banks of the rivers or streams such dry fallen wood and grass as may be required for their floating operations.

Ordinarily these products being of no value will be utilized free of charge but in exceptional cases when special damage can be proved to have been done claims to compensation for both wood and grass combined will be considered on the basis of 6 nP. per 1,000 pieces of timber per mile of river frontage for both banks.

For grass and wood taken from private land the person taking it will make his own arrangements with the owners of the land.

23. *Complaints*.—Any complaint on the part of a permit-holder, or his agent, or any water-mill owner or other zamindar concerned shall in the first instance be made to the River Guard concerned but may at the same time be sent direct to the Divisional Forest Officer who will forward it with a note of the orders issued, or with his recommendations to the Conservator of Forests, in charge of the Chamba Circle, Chamba, Himachal Pradesh.

24. *Penalties*.—Every person committing a breach of the above rules not hereinabove provided for shall be liable to imprisonment which may extend to six months, or fine upto Rs. 500 or both.
